an intriguing exploration of the great transition between life and the after life

first published in 1906 this account aims to show that the religious african has a much higher conception of god than was generally acknowledged it considers west african religion and its effect of african modes of thought

this book is divided into three volumes with ten sections the book was written in the latter part of 1925 and completed in june 1927 the following explanation by the author himself on the nature of the book is quoted from an announcement in issue no 3 of the present testimony this book puts particular emphasis on spiritual reality hence what is covered in

each volume can all be attested in experience nothing is there as an empty word the most frustrating experience of believers today is that in seeking progress on the spiritual path they do not find the proper way as a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction the author of this book was such a one for this reason the book emphasizes clear guidance on the proper path every chapter of this book is intended to guide believers on the right course therefore all those who seek after god with an honest heart can go step by step accordingly almost every chapter begins from the perspective of the sinner and proceeds step by step toward the peak of spiritual life the whole book covers a wide scope every question concerning the spiritual life that the believers want to know but cannot answer is explained here for example difficult matters such as hearing god s voice and understanding god s will are all clearly explained after reading this book all major spiritual problems will be fully resolved regeneration salvation sanctification denying the self the filling of the holy spirit and power the baptism of the spirit fellowship prayer bible study identification in death the flesh the soulish life the emotion supernatural experiences miracles the discernment of true and false speaking in tongues the intuition the conscience revelation of god spiritual work warfare with satan the evil spirits demon possession the free will the renewing of the mind passivity consecration affection the feeling of coldness and hotness the body illness the way to escape death and countless other subjects are explained in the deepest as well as the simplest way if a believer wants to walk on the proper spiritual course he must read this book if anyone wants to help others and explain to others their true condition they also cannot skip this book all who read this book will find light even on many ordinarily overlooked topics even a matter as familiar as regeneration will be understood in a way that was unthought of before

man s most dangerous myth was first published in 1942 when nazism flourished when african americans sat at the back of the bus and when race was considered the determinant of people s character and intelligence it presented a revolutionary theory for its time breaking the link between genetics and culture it argued that race is largely a social construction and not constitutive of significant biological differences between people in the ensuing 55 years as ashley montagu s radical hypothesis became accepted knowledge succeeding editions of his book traced the changes in our conceptions of race and race relations over the 20th century now over 50 years later man s most dangerous myth is back in print fully revised by the original author montagu is internationally renowned for his work on race as well as for such influential books as the natural superiority of women touching and the elephant man this new edition contains montagu s most complete explication of his theory and a thorough updating of previous editions the sixth edition takes on the issues of the bell curve iq testing ethnic cleansing and other current race relations topics as well as contemporary restatements of topics previously addressed a bibliography of almost 3 000 published items on race

compiled over a lifetime of work is of enormous research value also available is an abridged student edition containing the essence of montagu s argument its policy implications and his thoughts on contemporary race issues for use in classrooms ahead of its time in 1942 montagu s arguments still contribute essential and salient perspectives as we face the issue of race in the 1990s man s most dangerous myth is the seminal work of one of the 20th century s leading intellectuals essential reading for all scholars and students of race relations

chu hsi 1130 1200 exerted a lasting influence on the thought and life of the chinese in subsequent cent the core of his synthesis was moral and social philosophy but it also included knowledge about the natural world his doctrine of ke wu invest of things made him mindful of the specialized knowledged in such scientific traditions as astronomy harmonics med etc this study of chu hsi s thought gives a systematic account of the basic concepts of his natural philosophy also discusses chu hsi s actual knowledge about the natural world and examines the relation between chu hsi and chinese scientific traditions and compares his natural knowledge with that of the western scientific tradition
