you want me to tell you why god is to be loved and how much i answer the reason for loving god is god himself and the measure of love due to him is immeasurable love is this plain doubtless to a thoughtful man but i am debtor to the unwise also a word to the wise is sufficient but i must consider simple folk too therefore i set myself joyfully to explain more in detail what is meant above we are to love god for himself because of a twofold reason nothing is more reasonable nothing more profitable when one asks why should i love god he may mean what is lovely in god or what shall i gain by loving god in either case the same sufficient cause of love exists namely god himself and first of his title to our love could any title be greater than this that he gave himself for us unworthy wretches and being god what better gift could he offer than himself hence if one seeks for god s claim upon our love here is the chiefest because he first loved us i john 4 19
